

STEAL HER STYLE EMILIE DE RAVIN

Lost star Emilie De Ravin ticks all the right boxes in this stunning crisp shirtdress, not to mention her choice of metallic accessories which have been set off with a stylish skinny belt. This outfit is perfect for the evening time with kitten heels. For a more casual look just swap the heels for comfortable flats.

LIZ CLAIBORNE'S SPRING COLLECTION

The new Spring bag collection from British brand Liz Claiborne links in perfectly with this seasons neutral trends. Our particular favourite is this cream leather tote, which is Dhs699. Available from Monet & Co and Debenhams in Mall of the Emirates.

LANCÔME PUTS ON A GOOD SHOW

The night of the Lancôme colour awards finally arrived in the UAE last week. The much-anticipated event lived up to all expectations as the designers each showcased four inspirational designs on the catwalk. On the evening three winners were selected to represent the UAE in the finals in Paris later this year...the OK! team wishes them all the best of luck!
